

Greetings!

The DCS NYTD team is happy to announce that a pre-recorded webinar giving additional information regarding NYTD is ready for your viewing. This webinar is approximately 30 minutes in length and covers information about the submission of reports through the web portal. Basic information about the NYTD project and federal definitions is also provided. Please take the time to view this video. We will be answering questions through the dc snytd@ dcs.in.gov email. It is important that you send all questions and comments to this email as we are keeping track of frequently asked questions and comments in order to make program improvements.

Please submit all questions regarding this webinar to the NYTD mailbox (dc snytd@ dcs.in.gov) by January 7th. We will be compiling a frequently asked questions document and responding to comments approximately two weeks after January 7th (the webinar gives a date of 1/5, this deadline has been extended to 1/7).
